April 2019 Newsletter

President's Message

Dear White Meadow Lake Members, it's with great sadness that I tell you of the passing of Joy Weinreich. She was a dedicated WML volunteer and board member. Joy served as our president for five years, past president, and director for many years. Joy was a member of most of our committees, but Joy's first love was Festival Day. She along with a lifelong friends Phyllis Auerbach and Ilene Horowitz have turned a one day festival into a three day event with spectacular fireworks to end the weekend. This year I'd like to dedicate Festival Day weekend in honor of Joy. There will be one less red staff shirt walking around, but make no mistake, Joy will be there. She left her mark on White Meadow Lake like few have.

Thank you Joy for making White Meadow Lake a great place to live. I want to send my sincere condolences to Phyllis and Joy's entire family. She will be missed.

Michael Nardi

VANDALISM IN WHITE MEADOW LAKE

Over the past several years the vandalism of our common properties has increased causing us to install surveillance cameras at all the common properties. These cameras have led us to identify some of the vandals who we have then prosecuted. The cameras have also identified people placing household trash in our garbage receptacles and dumpsters. Our trash cans are to be used for garbage when on common properties and cleaning up after your dog. We would appreciate your following these guidelines.

Our committees work hard to make this a better place to live and enjoy our facilities. Your help in keeping our common properties clean is greatly appreciated by all the residents.

FOR THE SAKE OF THE LAKE

More than one-third of our lake is filled by run off from streets and the surrounding land. Please do your part to prevent leaves, fertilizer, plastic and other trash entering our lake! Not only from lake front properties but from all of us in the community. There are Township Ordinances that prohibit blowing, raking or sweeping into the lake or into the street (Ord. 4.1.10 and 4.1.1 and 4.1.2). Remind your landscapers!

Also note, sump pump discharge from a private residence in White Meadow Lake must conform to the Rockaway Township ordinance(s), specifically not to discharge onto roadways or neighboring properties.

Sump pump discharge into the lake should ideally be done through a stabilized rock bed, at least ten feet from the lake edge, to allow sediment to fall out prior to water entry into the lake and to prevent freezing at the discharge point. A direct pipe from the sump pump to a rock bed is allowable, as this is typically intercepting ground water from a home's foundation and moving it away.

PERMITTED FISHING AREAS

Fishing is permitted along the clubhouse lawn from the corner of the dam railing to the boat docks. **NO FISHING IS PERMITTED ON THE DAM WALL, BOAT DOCKS, SWIM DOCKS, OR SWIMMING AREAS.**

- BEACH 1 – No fishing is permitted at any time.
- BEACH 2 – Fishing is permitted from the fishing dock south of the brook and the lawn area adjacent to the handball court. No fishing is permitted at beach areas or the north boat dock.
- BEACH 3 - Fishing is permitted from the lawn adjacent to the dock and from the areas of the dock that are marked for fishing.

SEAS BASIC SAILING CLASS

Announcing 2019 Sailing Lessons

FOR ADULTS AND YOUTH AGES 9 AND UP

In the SEAS Basic Sailing Class, our instructors will take you from landlubber to seafarer through hands-on sailing experience and classroom sessions. In the classroom, you'll learn the fundamental knowledge necessary for getting started on a sailboat using the textbook published by the U.S. Coast Guard Auxiliary, and then you'll be taken out on the water to apply your new knowledge and develop your sailing skills in a real-life, supervised, nautical setting.

Course includes 4 classroom sessions and 2 water sessions. Classroom sessions are: May 21, 23, 28, and 30 at the White Meadow Lake Clubhouse from 7:30 to 9:00 pm.

Water sessions are: May 25 and June 1 hosted at BUDD LAKE on SEAS.

Lessons are BY the SEAS Morris Sailing group. Graduates of the course get a membership with the SEAS organization as well as their certification. Continued opportunities to practice sailing skills on Budd Lake using the SEAS sailboats is a benefit of this membership.

SIGN UP AND PAY BY CHECK AT THE WML CLUBHOUSE - Registration is now to April 30 in the POA Office.

WML Members in good standing \$200. All other students \$225. Registration includes 2019 membership to SEAS Morris

NOTE – Youth under age 18 must be supervised by an adult at all times. The adult doesn't have to register and pay for the course but if they want to participate in any way (knot tying, water sessions) they need to register and pay. SEAS instructors recommend a person is at least 85 lbs to manage the sunfish sailboats independently, however SEAS instructors are willing to work with any youth ages 9 and up so long as they have the motivation to learn and can actively participate in all classroom and water sessions.

All participants must be able to swim and tread water over their head without a flotation device. Each person needs to bring their own "PFD" Personal Flotation Device.

A supervising (non-paying) parent/guardian will need to be present for all classroom and water sessions.

If you have questions or want to talk to someone who has taken this course contact Alecia Meila • ammeila@yahoo.com

Attention all WML Residents!

Please make sure your address is visible on your house and/or mailbox.

Lakefront Owners! Please make sure your dock number is visible on your dock.

Preschool Gazette

April is here, the sun is warm and soon we will witness the miracle of Spring. We will spend part of the month discovering the changes in nature as we explore birds nests, plants, butterflies, and insects. As the children come to appreciate the wonders of nature, they will also develop a sense of responsibility to our planet as we begin our unit on Ecology. We will learn about the importance of keeping our land, air, and water clean and specific ways the children can help save the Earth.

SAFETY ON THE ROADS

Roadside Safety

Drivers should be aware of people walking in the neighborhood and give them a good deal of space on the side of the road as there are no sidewalks in White Meadow Lake. Residents walking, running, riding bicycles, and other roadside activities should be aware of important safety tips that allow everybody to use their respective share of available roadway space safely.

Follow prudent safety practices and enjoy the sights, beauty, and friendship of the residents in this wonderful community.

Wear a Helmet!

Children under the age of 17 need to wear a helmet at all times when cycling, roller skating, in-line skating or skateboarding. Head injury is the most serious injury type and the most common cause of death among bicyclists. Be safe!

Make sure the helmet fits snugly and does not obstruct the field of vision. Make sure the chin strap fits securely and that the buckle stays fastened.
