Have A Happy, Healthy Thanksgiving

On Monday, October 6 while the clubhouse roof was being repaired, an accidental fire broke out from the work being done on the roof. Our maintenance employee, DJ, and Security employee, Mike, noticed smoke coming from the roof of the clubhouse and went over to see what was going on. The workers said they had it under control but our employees realized that it was not under control and called 911. The White Meadow Lake Firehouse #5 came quickly to our rescue. Were it not for the astute assessment by Mike and DJ to call the fire department, the damage to the clubhouse might have been severe. However, the quick response by the fire department, their expert handling of the fire and the notification by our employees, saved the day. The site manager, Charlie Bogusat took over from there and got the vendors to repair the damage and make sure the clubhouse was ready for the weekend parties. Thanks to our site manager keeping on top of the workers, everything went off perfectly for the weekend parties. If you were in the clubhouse for voting on October 19, you didn't even know that there was a fire.

Thanks To All For Saving The Day!

FOR YOUR SAFETY

The days will be getting darker earlier!

Residents walking, running, riding bicycles, and other roadside activities should be aware of important safety tips that allow everybody to use their respective share of available roadway space safely. It is very important to be visible to the traffic around you. This can be done by wearing light colored or reflective clothing, which can be simulated by applying reflective tape to your outerwear. Another good safety device is a bright flashlight aimed at the road in front of you.

Drivers, as a courtesy to other drivers, please use your blinkers to indicate which way you are turning.

Please follow prudent safety practices and enjoy the sights, the beauty, and the friendship of the residents in this wonderful community.

BALLOT QUESTION

Question: Should we build an additional fishing dock near the Beach 1 boat docks at a cost of \$6,000 plus tax and permits? Money to come from the Sinking Fund.

Yes 71 No 81

President's Message Please Help Me Understand

We passed our 2015 budget and the results may end up keeping dues at 2014 rates. Yahoo!!!

We held our elections and added a new Board member. Beverly, I am sure you will do a great job. We appreciate the members that participated at the annual meeting and helped balance the needs of the community with the intent of keeping dues down. Great job everyone.

Here's my dilemma. Only 6.18% of members of the community voted. Either members think we are doing a good job, are just too busy, or just don't care to vote.

Community participation occurs on all levels. **Voting is the most basic.** Whether a race is contested or not, your vote represents your opinion.

The management of the community has a direct effect on the quality of your life, the well being of your family and the value of your home. **What I am saying is your vote and opinion count and is important.** Think about it. Between now and next fall make a commitment to attend a committee meeting or **just come out and vote.**

It would be nice when an officer runs for a Board seat or there is a capitol question regarding spending money on the ballot that the community shows their approval or disapproval by voting. We don't want the minority, no matter how well intentioned, to represent the majority. Please don't get me wrong. Right now it is the volunteers and other active members trying to help us run the community by voting. I hope to see more members out to vote next year.

On the plus side, we are continuing the rebuilding of our facilities and recreation areas. In 2015, we will also focus on our ballroom, deck and lounge, while doing the best we can to operate efficiently and in a friendly manner.

Please enjoy and have a warm and wonderful Thanksgiving.

November is here already! We were so busy last month that October seemed to fly by. The children's enthusiasm preparing for Halloween was terrific. We had a great time learning poems, fingerplays, and creating holiday decorations. Everyone enjoyed our visit to the pumpkin farm and our Halloween parties. We will be just as busy in November as we prepare for Thanksgiving. The children will learn the story of the First Thanksgiving as well as how families celebrate the holiday today. The children will try their hand at making butter, cranberry sauce, and popcorn. Our study of Thanksgiving will conclude with a party that parents will cordially be invited to attend. The classes will soon begin work on the "Family" unit and the children will learn that a family is a group of people living together that love and care for each other.

- A NON-REFUNDABLE \$ 100.00 deposit is due at registration. (POA accepts Master Card, VISA, Discover)
- Please bring your child's birth certificate if your child has not been previously enrolled.

Over 55 Friendship Club

Senior Friendship Club President: Bruce Levy

We hadn't been to the Hunterdon Hills Playhouse in a while, so it was a pleasant evening on September 20 when we went to see the play, "Breaking Legs."

Before the play we had a sit down dinner with your choice of Prime Rib, Chicken Marsala, Salmon a la Riccardo, or Baked Lasagna. Everything was delicious from what I heard from the Club Members.

And then we were able to choose our dessert from two tables laden with so many choices I couldn't recall what they were. All I could say one tasted better than the next.

After eating we were able to watch the play which took place in an Italian Restaurant owned by a mobster and his unmarried daughter.

A few other characters came on stage to keep the audience amused by their antics and funny comments about their friends dead and alive.

Another fun night out, thanks to Bruce and his co-horts, Ruth, Carol, Lil and Jeri.

November we will be at Woodloch Pines and we hope to see you there.

Can't wait to see you there.

KEEP OUR LAKE CLEAN

- Do not feed the Lake - reduce or eliminate lawn fertilizers, and don't fertilize your lawn unless a soil test indicates.
- Do not dump lawn clippings or other waste in the lake or near the shoreline -- compost instead.

Use Phosphorus Free Fertilizer 20-0-8

Clean up Pet Waste It Pollutes the Water

When left on the ground, pet waste is washed by rain into storm drains that empty into our Lake. Animal waste contains a high concentration of nutrients as well as bacteria and disease-causing microorganisms.

A COLD WIND

By: Phyllis Auerbach

A cold wind blows and winter looms
it is cold in all our rooms
we hunker down and wait for snow
which will come you all know
shoveling, plowing what a chore
then its finished and we wait for more
we could move out of range
but we would miss the climate change
so we stay and just complain
and tell ourselves that it's a pain
then summer comes and what do we do
complain about that weather too

ROCKAWAY LIONS CLUB NEEDS YOUR HELP!

The Rockaway Township Lions have a Christmas party every year at White Meadow Lake Clubhouse for less fortunate children and their families. We have around 250 people who attend and we make sure everyone is fed. Of the 250 that attend about half are children. We have games that our young Lions (Leo's) help with. We also have Santa and that's where we need your help. The Leo's help Santa give out hundreds of toys but due to economic conditions we now are getting half of the toys we usually receive. If you can help with a toy or gift certificate the children and the Lions would greatly appreciate it. Please drop off any toys or certificates at the POA office on or before December 7. Please do not wrap toys. Leo's and Lions will wrap them on Sunday, December 8.
