President's Message

Welcome to baseball season, the days are getting longer and the activity around the lake is increasing. The docks are going in and boat spot signups are going smoothly thanks to the lake committee and office staff's efforts. The fishing club has helped stock the lake for opening day so grab a pole and try to catch a trophy fish.

On April 22 the Civic Affairs Committee will be hosting a clean up day. Please pitch in and help. If everyone just cleans up around their block the entire lake will be clean. See page 7 for more details. At the March board meeting I was honored to present an award to Ronnie Trisuzzi (see below) of The Hair Shop for over 50 years of servicing and supporting White Meadow Lake and its residents. Stop by to congratulate Ronnie. His shop is a throwback to a simpler time.

The Women's Club Spring Market is on the 30th. There will be many vendors selling a variety of items.

I wish everyone a Happy Easter.

Let's Go Mets!

February 23rd was our terrific luncheon. SORRY NO PICTURES. We were too busy devouring the scrumptious sandwiches, gabbing and forgot to take photos. There were 3 platters piled high with egg salad, tuna salad, shrimp salad, roast beef and ham & cheese sandwiches. We also had potato salad, coleslaw and pickles plus a table filled with pastries! There was lots of socializing going on!

Swim Lessons

WML Swim Lesson Policies

We want our classes to be a rewarding and fun experience for all. Please help us make that possible by adhering to the following policies and guidelines.

ATTENDANCE & ATTIRE

Please arrive at your child's class on time. Arriving late disrupts the flow of classes currently in session. Have swimmers ready in bathing suits and goggles. Please pick up promptly at the end of the scheduled class. Swimmers who are not toilet trained **MUST** have a swim diaper on with elastic at the legs and waist. If swimmers have long hair it should be tied back so it will not get in their face during lessons.

OBSERVATION

We encourage parents to be active participants in their child's learning process, but we also ask for you to keep your presence during swim lessons to a minimum. Swim Lessons are a perfect time for your child to explore their independence and confidence in a safe environment. There are certain instances where your presence can detract from your child's ability to learn. We ask that you remain along pool walls/fences and approximately 10-12 feet away on beaches.

MISSED CLASSES

Make-ups are only held for classes canceled by the POA for bad weather and if we can find a make up time. We do not offer make-up classes for classes you have missed.

COMMUNICATION

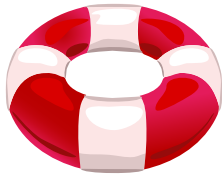

Please sign up for Remind. This can be done two different ways.

1. Text 81010 (for the recipient) and enter @wmlswim23 (in the message).
2. OR you can use this link to join: <https://www.remind.com/join/wmlswim23>.

Make sure your settings are on to allow text messaging for fastest updates. We will use this for all classes. You can reach out to the Supervisors through this app.

Swim Lesson Class Descriptions

Evaluation Date: June 17th Time TBD

Ages are a guideline, beach staff have the final approval of all levels. If you sign up for a class & we feel your child needs to be at a different level, we will work with you to find a class that works.

Parent/Child Classes (30 months/2 ½ yrs and younger)

Water acclimation is specially built for children who are not ready to swim without their parent(s). Throughout the session, the child transitions between the parent and instructor to allow the child to learn to listen to the instructor, become comfortable in the water, and safely explore movements in the water. A parent or guardian is required in the water with the child. Parents/Guardians will assist in teaching basic swimming skills.

Ages 2 & 3

If your child is on the border for either age, please know we may choose to bump your child based on their needs when we first see them. Their ability to work independently without a parent in the water is necessary.

In this stage, students are introduced to the pool and learn skills needed for a beginner swimmer. The student also develops comfort with underwater exploration and learns to safely enter and exit the pool.

Students in this stage focus on the following:

- Exploring the aquatic environment and basic swimming skills with assistance
- Developing safe water habits in a fun and encouraging environment
- Learning basic aquatic safety
- Developing basic skills for the swimmer to propel and glide through the water with assistance

Ages 4-5 Stage 1 (new to swim)

- In this stage, students are introduced to the pool and learn skills needed for a beginner swimmer. The student also develops comfort with underwater exploration and learns to safely enter and exit the pool.

Ages 4-6 Stage 2 (has had lessons prior)

In this stage, students learn how to swim safety for 10-15 yards. This stage also introduces rhythmic breathing and integrated arm and leg action.

Students in this stage focus on the following:

- Integrating arm action, leg action, and rhythmic breathing in back and front glides

- Practicing skills and safety techniques in deep water

Ages 5 and older

- Developing the front crawl and back crawl 15-25 yards.
- Introducing components of the breaststroke. (elementary backstroke)

Preschool Happenings

March came in like a lion and out like a lamb. All three classes were busy celebrating Dr. Seuss and our love of reading. We had fun spirit days from crazy sock day to pajama day. We sprinkled in some leprechaun fun as we set leprechaun traps throughout our school to try and get some gold. All we caught was some leprechaun shenanigans. We studied famous artists and kids' authors too. Winter was cold but fun and we can't wait for longer, warmer days of spring and more learning fun. April will bring April showers, Earth Day and of course, our Spring egg hunt.

Come Have Fun with Preschool this Spring!

Now is a great time to take advantage of our preschool spring fun. Join us now to get a jump start on preschool for the upcoming school year. The class meets on Tuesday and Thursdays from 9-12pm. Contact the preschool today for special rates and more information.
