## Preschool Happenings

Preschool has been very busy in January. All three classes have been taking a visit to the frozen tundra as we learned about snow, arctic animals and winter. The prekindergarten class did a study and celebration of author Jan Brett. We have been studying buildings and all types of buildings and homes too.

Watch the little school on the corner rain hearts in February. We'll be learning about all things February and our next study will be clothing and getting ready for our 100th day of school fashion show.

Through the generous support of the community and our parents and their fundraising efforts, we have added new items to our classroom for creative play as well as items to enhance our curriculum studies.

We are in the process of purchasing items to build a gross motor center in our classroom.

## Flexible options available NOW!

Are you looking to get a jump start in school or maybe your prekindergarten child needs some afternoon enrichment for the remainder of the school year? Come join us. We have flexible options available in all 3 classes for 2,3 or 5 days. Call or email us today for more information and discounted rates.

## SUMMER FUN is back!

Join us for six weeks of discovery and fun. Activities include arts & crafts, stories, games, outdoor activities, music and so much more!

# Swim Lessons

## 2025 SWIM LESSONS POLICIES

We want our classes to be a rewarding and fun experience for all. Please help us make that possible by adhering to the following policies and guidelines.

**ATTENDANCE & ATTIRE:** Please arrive at your child's class on time. Arriving late disrupts the flow of classes currently in session. Have swimmers ready in bathing suits and goggles. Please pick up promptly at the end of the scheduled class. Swimmers who are not toilet trained MUST have a swim diaper on with elastic at the legs and waist. If swimmers have long hair it should be tied back so it will not get in their face during lessons.

**OBSERVATION:** We encourage parents to be active participants in their child's learning process, but we also ask for you to keep your presence during swim lessons to a minimum. Swim Lessons are a perfect time for your child to explore their independence and confidence in a safe environment. There are certain instances where your presence can detract from your child's ability to learn. We ask that you remain along pool walls/fences and approximately 10-12 feet away on beaches.

**MISSED CLASSES:** Make-ups are only held for classes canceled by the POA for bad weather and if we can find a make up time. We do not offer make-up classes for classes you have missed.

### Still Water

Poem by Elise G, Erie Ave

In winter's hush, the meadow sleeps,  
Beneath a quilt of snow so deep.  
White Meadow Lake, in frost's embrace,  
Reflects the sky, a silver grace.

The houses line the quiet shore,  
Their chimneys puff, the hearths restore.  
The branches bare, the icy air,  
A world of stillness everywhere.

The lake, once wide with summer's song,  
Now whispers soft, a frozen throng.  
A skater's glide, a snowflake's fall,  
The frosty breath of winter's call.

Along the paths where children play,  
Snowflakes dance in bright array.  
The houses glow with warmth inside,  
While winter's cloak is spread outside.

In White Meadow Lake, the season's bright,  
A peaceful pause, a tranquil sight.  
In winter's grasp, we stand and wait,  
In quiet awe of frozen fate.
