President Report - Introduced new board, accepted nominations

President - Patrizia Trento

Vice President - Denise Schlachter

Secretary - Renee Cullman

Treasurer - Stephanie Kawalec

Tree lighting- Gina Young- There was better attendance this year. She estimates at least 125 people were there. There is interest in planting a real tree, there were some concerns such as future handicap parking and festival days. They are considering other spots for it, like near the Gazebo. The expense was \$102.51 on food and about another \$50 on incidentals. Patrizia Trento suggests a bigger mailbox for Santa letters.

Treasurer's Report- Balance for preschool is currently \$1849.65

Scholarship- Last month, the Women's Club came to a decision regarding the implementation of the scholarship in Joy Weinreich's memory. Johanna Salcedo and Karyn Brodman came up with a draft application, still working on wording and requirements. Want to add a sentence about how the scholarship will be awarded annually at the discretion of the women's club. Need to determine whether we need to have two committees or one committee. Need to decide final amount.

Polar Bear Plunge- Pat Degnan reported that it was discussed at Lake Committee meeting. However, the Lake Committee believes the Women's Club may be doing it. Due to liability issues, need waivers, EMTs, etc. Francesca Nieves from Women's Club stepped up to chair it for women's club next year in November 2020. Women's Club will coordinate with Lake Committee to make this happen for 2020.

Pub Night- Need to confirm the correct date for pub night

Start 8:08 PM

1. President's Report:

- Welcomed new attendees, recapped the celebration for Gloria Patterson that had just occurred in the ballroom, etc. Event had a great turnout including many former students.
- Joy Weinrich scholarship – need suggestions for essay question(s) to add to existing scholarship application. The scholarship named for Joy would be a separate award taken from the same pool of students who complete the full application and complete the additional question(s). We threw out some ideas, but are to bring finalized ideas to the October meeting.
- Ticket sale procedures – discussed how to most fairly sell tickets on Eventbrite, specifically when to open it up and when the price should be raised to the “at the door” price. Final votes were in favor of the following: streamline each event with the corresponding office hours so that the minute after the office closes before the event would begin, Eventbrite ticket prices would then increase to the “at the door” price. All eligible voters were in favor.
- No July meeting as per usual.

WML Women's Club Meeting Minutes

Monday April 8, 2019- Meeting start 8:30pm

Meeting took place while stuffing eggs. We primarily discussed the Egg Hunt/Spring Party.

There was a discussion regarding making the Spring Party 'Nut Free'. Patrizia addressed the residents concern with a letter stating that we cannot make a guarantee that the Spring Party be nut free. The letter was also sent to the POA Board. The members also agreed that it was a risk that we could not safely accommodate at this time.

Patrizia explained that for the hunt, we have been offering a candy trade in for those w/ allergy concerns. She also offered the resident a dedicated budget for the Egg Hunt that would allow her to run a dedicated egg hunt lane. She could purchase all new eggs and allergy friendly treats. The resident said they would think about it.

Meeting adjourned at approximately 9:45pm (that was when we finished eggs)
