President's Message

August is the month the committees present their budget to the board to create the preliminary budget that gets presented to the members at the 1st annual meeting in September. Your input is welcomed at the two annual meetings. Be aware that with the annual increase in the minimum wage and the difficulty getting employees for summer positions our salary lines are getting increased like never before.

Festival day weekend was a huge success. We added Thursday for the first time and had a special discount for our WML campers which we will have again next year. The food vendors had lines all night as everyone enjoyed the selections. The hotdog eating contest had 12 contestants. The winner downed 10 dogs in well under 5 minutes (and kept them down). Great bands, open mike night, magic, kid contests, a parade, rides and much more ending with a fantastic fireworks show. Four days of events and the bar was packed. I can't say thank you enough to our maintenance staff Kurt, Bill, and Zach no matter what was asked of them it was done in no time. Thank you to Michele and the POA office for all your hardwork.

This event would not happen without Ilene Horowitz and her committee. Special thanks to the Bar and Rental committee, Roger Crook, Mike Stocknoff, and Scot Desort who support our bartenders and help with everything. Scot is on both committees and our technical expert and he was going non stop for all 4 days. The office staff helps with all the paperwork and payments. Charlie, our Site Manager was on site and available the whole weekend to assist with anything we needed. It's a great team effort with Ilene as our leader. Finally, thanks to all of you who came out and made our effort worthwhile. Our vendors and the committees are looking forward to next year. Any concerns call me (973)586-1556.

PREVENT WATER CHESTNUTS

Stop the Transport into our Lake!

Water chestnuts grow best in shallow lakes and rivers. With their rapid reproduction they can take over a small lake in a short amount of time. As they grow, the old leaves push further down the long stem, creating a thick cluster of leaves. Their dense growth makes navigation difficult and impedes the growth of other aquatic plants. The best way to eliminate the possible invasion of water chestnuts is simple: prevention. Follow the simple steps below to keep invasive plants out of our lake.

- Check your boat, trailer, equipment, clothing, wading boots, and buckets that have come in contact with the plant.
- Remove all visible mud, plants, fish or animals.
- Eliminate all water including water in small spaces.
- Before placing your boat back in the lake, wash it and let it dry in the sun for 2-3 days.
- NEVER transport plants or fish from one body of water to another.
- Clean your boat.

CLEAN UP PET WASTE

It Pollutes the Water

When left on the ground, pet waste is washed by rain into storm drains that empty into our Lake. Animal waste contains a high concentration of nutrients as well as bacteria and disease-causing microorganisms.

WHITE MEADOW FISHING CLUB CREEL SURVEY

WHITE MEADOW LAKE

The Fishing Club now has a live, digital creel survey. The survey is designed to help WML make more educated decisions regarding our stocking plan and fishery.

Simply go to <https://form.jotform.com/203194344057049> or use the QR code and fill out the form after each outing.

PERMITTED FISHING AREAS

Fishing is permitted along the clubhouse lawn from the corner of the dam railing to the boat docks. **NO FISHING IS PERMITTED ON THE DAM WALL, BOAT DOCKS, SWIM DOCKS, OR SWIMMING AREAS.**

- BEACH 1 – No fishing is permitted at any time.
- BEACH 2 – Fishing is permitted from the fishing dock south of the brook and the lawn area adjacent to the handball court. No fishing is permitted at beach areas or the north boat dock.
- BEACH 3 - Fishing is permitted from the lawn adjacent to the dock and from the areas of the dock that are marked for fishing.

FISHING REGULATIONS

As with all activities on POA property, POA members must display a current POA badge. Guests of POA members must be accompanied by the POA member and that member must have their Guest Pass Card available for WML Security to punch. All fishing regulations are NJ State Laws, not WML. **A valid fishing license is required for NJ State residents ages 16 to 69.** A senior license is available for residents ages 65-69. All non-residents of the state of New Jersey 16 years and older must have a valid fishing license. If you are trout fishing, a trout stamp is required.

For more information on NJ Fishing Regulations visit www.state.nj.us/dep/fgw/fishing.htm

REMINDER TO BOATERS/FISHERMEN *Anchors may damage the lake's alum and aeration system!*

Please follow these guidelines to avoid causing costly damage to the lake's alum and aeration systems:

- Only use a mushroom-style anchor
- Do not drag anchor along lake bottom
- If you snag a line or observe a line on the lake surface:
 - Stop immediately!
 - Remove line from anchor
 - Call White Meadow Lake Security Truck 973-525-9075 or the POA office 973-627-5300.

Give Our Shorelines Space

Please remember that as per POA Regulations, all boats must stay 50 feet away from shore properties, swimming areas and from the ropes at the POA Beaches. This is important to protect swimmers, wildlife and the peaceful enjoyment of homeowners and community members.

Anchor Your Boat

As a courtesy to others, please anchor the back of your boat to prevent knocking into your neighbor's boat.

Hip Hip Hooray!! We're FINALLY back!! It was great to see our wonderful members attending the luncheon at the clubhouse on June 17. We had a full house. The luncheon was just what the doctor ordered "some socializing". Everyone had cabin fever from being confined to home due to covid. We also celebrated the birthday of Nat and Lew Kramer and the anniversary of Barbara and Lew Kramer complete with song and cake. It was a fun time.

Only one meeting a month is scheduled because of Covid. It is the third Thursday of each month. We look forward to seeing everyone at the next meeting.
