FESTIVAL DAY 5K

The White Meadow Lake Lifeguards staying in shape by running in the WML Festival Day 5K - "The Toughest 5K in New Jersey!"

The "Toughest 5k in New Jersey" this year had an outstanding turn out with 159 registered participants and many, many others, including some of our White Meadow Lake Lifeguards, that ran without being registered. This 5k would not be the success it is without the assistance of Bob Lyons, Mary Jean Jones and volunteers from the Festival Committee. I was so impressed and all the runners were thankful to a number of residents along the route that either gave out water or sprayed to cool them down. The runners and spectators alike were fascinated by Miron Fridman (66) pictured, who did the entire race on his "walking wheel". These great photos were taken by Gregg Bunch who volunteered his time and talent.

Thanks to all and NY Marathon watch out!

Presidents Message

All I can say is WOW!! What a Festival Day weekend. The weather was perfect, the crowds humongous and it was the best Festival Day ever. The fireworks keep getting better. The games, events and food were awesome. WML sure knows how to throw a party. It was just a great time for all ages.

What was special to me was the chance to show off our community. As many are aware, we have been working for several years to upgrade all our common properties and I was so proud of the work we have put in. Of course, if not for the volunteers and staff, none of this would be possible.

The list of community members to thank is too long for this message, but Ilene, Rudy, Joy and Phyllis led the troops on an all-out assault making sure everything ran so smoothly. I know how corny I sound at times but we are truly a great community and getting better with age.

Oh, and we are still White Meadow Lake, despite the carnival signs many of us had seen. The Carny folks did a great job promoting this special event and should be appreciated for their efforts. As usual Charlie, Michele, Gary and Kurt and their crews did a phenomenal job and often don't get the praise they deserve. Thank you everyone who worked to make this event so special and thank you to all the members of the community for coming out and supporting this wonderful weekend.

Mark Kempner

FISH TALES

I hope everyone is having a fun fishing season at WML! Besides targeting the healthy Largemouth Bass population in the lake you can try your hand at catching some toothy critters. White Meadow Lake also has a good amount of Pickerel and Walleye that swim in its waters.

These fish are fun to catch and really put up a good fight if you hook into them. Make sure that you remove the hooks carefully and handle these fish with care.

When targeting the Walleye in the summer:

I like to use swimbaits fished close to the bottom and plastic grubs rigged on a 1/8 Or 1/4 ounce jig head. You can vary the retrieve speed until the fish tell you how they want it. My buddy Geoff got his monster Walleye on a Mepps Spinner and released it after posing for this newsletter photo!

When targeting pickerel in the summer:

The one bait you can fish with and have the versatility of triggering the bite from any species of fish is the Z-Man Chatterbait. I fish this in the 3/8 ounce size and cover water quickly, right now the color white and chartreuse is really producing. It's also a bait you can fish at night on WML. The bait offers so much vibration fish can't resist and the Pickerel gobble them up like crazy!

A great investment is picking up a pair of Fish Grips to handle fish with teeth!

Good fishing and keep it reel,

Richie Moschella

FUN FOR ALL

By Phyllis Auerbach

We hope you enjoyed the party we threw
 It was to be fun for all of you
 We knew you'd enjoy the lion's club fare
 The burgers are medium, well and rare
 At the climbing wall all the kids had fun
 Even if they climbed more times than one
 Volleyball was on the beach Saturday
 And the castle building always blows us away
 Mr. White Meadow Lake is quite a contest
 And they all paraded with plenty of zest
 The talent contest weeds out the sublime
 And there's always a winner every time
 The bands performed with intensity
 They're non-professionals, how can it be?
 The 5K Sunday is very tough
 But our runners are made of hardy stuff
 The parade was a sight and such a fuss
 So if you were there you'd have walked with us
 The contests were here for one and all
 I'm sure if you entered you had a ball
 The balloonist, tattooist and psychic came down
 As well as the face painter and the clown
 With Marco the magician your chances are slim
 And Elvis was there - was it really him?
 The market place satisfied all your needs
 From toys to info to bags and beads
 We hope the party was fun for all
 And you enjoyed and had a ball

The weather was delightful, the entertainment terrific, the food delicious and the people a whole lot of fun. That was our trip to Wildwood. We ate, did some sightseeing and had a great time.

One day was spent in Cape May where we snacked and then had a sightseeing trip to see many of the old homes there. Very, very interesting. Another day we went to Sunset Beach where we saw one of the Concrete ships that ran aground in the ocean many years ago. Unfortunately we could not stay to see the famous lowering of the flag that is done daily. There was a well equipped gift shop that many of us took advantage of needless to say. One night we enjoyed dinner at the Renault Winery where the food was scrumptious and the dancing was good. Many of our group took advantage of that while we ate. Another night we had dinner at The Boathouse where we sat on the deck overlooking the many yachts anchored next to the restaurant. Another enjoyable night. One evening we even had a Pizza Party at the Motel for everyone to enjoy. That was fun, also. Some even took a walk down the beach and even put their toes into the Atlantic. But one evening coming home from one of our nights out our bus stopped at a well-known Ice Cream Parlor so we could have some delicious ice cream and we did!!! And it was!!! We even had time to spend at poolside for swimming and sun bathing. Another night we went to an Italian Restaurant which also was delicious and after that went to see an entertainer, Joey Vincent, who was a great singer, musician and impersonator who truly entertained us for a couple of hours. It was another great time thanks to Bruce, Lil and Jeri for all their help making that possible.

Next month to the Tropicana in Atlantic City and then in August we will be going to the Meadowlands.
Hope to see you there,

Sid and Myrna
