# President's Message

I am writing this while doing last-minute set ups for Festival Day Weekend so this will be a short President's message. I hope everyone is having a great summer. We have had a great season at the pools and lake. The water quality has been in the safe zone for all required testing.

Festival Day Weekend is a huge undertaking by a few dedicated volunteers led by Ilene Horowitz and an outstanding maintenance staff. The first three days of the week, it was in the 90's and very humid. Maintenance was outside every day setting up. Maintenance was continuously busy with the set up all week long. Operating the bar during Festival Day Weekend is another huge undertaking. The Bar and Rental Committee volunteers put in many hours, along with our bartenders, to have everything operating smoothly.

A reminder, the budget is first being discussed at the August Board Meeting. The board will gather the information from the committees and create the first preliminary budget for the community to review and give input at the first Annual Meeting in September. This is your budget and your dues. Your input is welcome and needed.

Have a great rest of the summer and remember the Gold Bar is open Wednesdays through Sundays.

Any concerns, please call me at 973-586-1556.

*Michael Ilardi*

## LET'S KEEP OUR LAKE CLEAN!

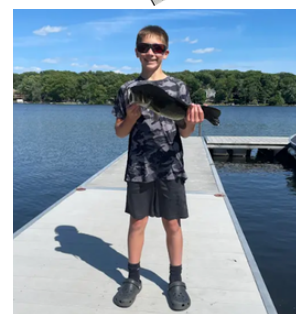

Keep your eyes open for floating debris in our lake, especially following storms. Let our terrific maintenance team know if you see anything that could be a hazard.

Here's Bill and Keith removing a very large piece of wood that would definitely have done some damage to a motor. Shout out to them and also Bill Roberto and Patrol Boat operator Brian Macellaro who found and got the wood off the lake.

## WHITE MEADOW LAKE FISHING CLUB

The summer is flying and with all the great fishing, I thought I would let the pictures speak for themselves. Enjoy these photos submitted by our residents!  
Nice Catches!

### Creel Update

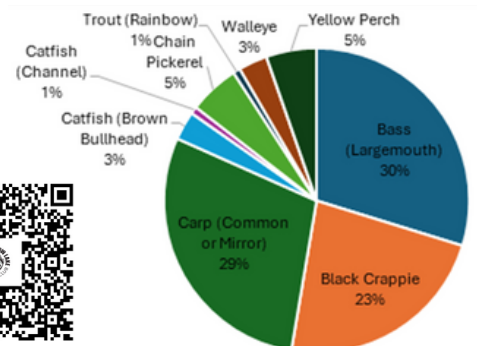

As of July 11, we have had 131 entries to our creel study, with largemouth bass, carp, and black crappie the most species reported. The data we are collecting is important to plan the future of our fishery. The photos in this month's newsletter were submitted via the QR Code so remember to stop by the office to get your free QR code sticker and log your catch! Prizes will be awarded for the most participation toward the end of the year.

If you are interested in joining the White Meadow Lake Fishing Club or have any questions, comments or concerns: please send me an email or stop by a Fishing Club Meeting at the Clubhouse on the last Thursday of the month at 8pm.

See you on the lake!
