President's Message

The summer is here!!! Thanks to our beach chairs, we have enough lifeguards. I've read in the paper how there is a national shortage of lifeguards. However, due to their hard work setting up training classes and recruiting kids, we are in good shape. We have expanded the swim lesson program so sign up your future lifeguards. Festival day weekend is just days away. The ride company again is offering our campers a Thursday night discount wristband to be sold at camp. There will be many new events this year. A full schedule of events is included on pages 4-5. I'd like to thank Ilene Horowitz for all her hard work pulling this together every year. While you're walking around the clubhouse, please take a close look at the renovation that was done. I'd like to personally thank Tim Koukoumis of Spartan construction. It was a pleasure working with him. He went above and beyond to include many details that made the outcome of the project bring our clubhouse back to its past glory. His company also made a large donation to sponsor festival day. Our blood drive is July 19th. Please watch your speed! At the town council meeting the police chief has mentioned how many tickets have been issued throughout the lake. We have no sidewalks, so everyone walks in the streets, so please use extra caution when traveling. Let's have a great summer! Any concerns call me at 973-586-1556.

Our trip to the Tropicana Hotel in Atlantic City for 3 days/2 nights, May 24th to May 26th was terrific. Part way there, our President took a vote on whether we should stop for food. The majority ruled with a "No Stop". Upon arrival, our rooms were ready for us. The weather also cooperated. It was sunshine from day one! Some walked the boardwalk, while others sat on a bench basking in the sun watching people, bikers and trams pass by. Others played in the casino, even though we all know the odds are against us. No one wanted to admit winning or losing! We all received \$30 each for slot machine play, courtesy of the hotel. One couple, the husband won some money; and guess what? His wife lost it! Two of us won \$2 each. However, it only cost them the \$60 hotel-provided slot machine money to win the \$4. Join in all the fun!! Hope to see you at our next meeting. The club meets in the clubhouse on the 2nd and 4th Thursday of every month at 1:30PM. Pastries and light beverages are served free of charge. To join, you must be a resident of White Meadow Lake and 55 or older.

Preschool and Camp

Preschool Happenings

June was sure a busy month in our preschool. The prekindergarten class had a fun lemonade stand and raised funds to purchase a lending library for the front of our preschool. We said goodbye to all the classes, as we had our prekindergarten graduation and our pops and promotion ceremony, as we all get ready for a fun and exciting summer. It was a great way to end a successful school year!

But the little building on the corner is always busy, as it's time for summer fun. In our preschool, it is going to be a wild and crazy summer full of discovery and learning. Lots of hands on exploration planned, as we STEAM our way through summer.

Are you still looking for preschool for the fall? Our preschool has limited spots still available! Call us for a tour today or stop by and pick up a registration packet. Don't forget to check out our Facebook page at White Meadow Lake Preschool of Rockaway.

Preschool and Camp

Congratulations

TO OUR PRESCHOOL TEACHERS Ms. Holly and Ms. Cait on a FABULOUS FIRST YEAR!

Some of you may know our preschool went through tough times during COVID as we closed and 2021 we had to “reopen”. At the same time, we lost both the former director, Gloria, to retirement and a teaching assistant to another opportunity. Many, many people (Laurie Marks, Joanne Machalaba, Chris Kleinwaks and Patrizia Trento) put in countless hours to start the preschool from scratch. To those women, thank you!

This note is to thank our new Director, Holly, and assistant, Caitlin. They not only walked into a schoolroom that had been empty for over a year, but they had only a couple of weeks to get ready with curriculum, take stock of toys and the room, while dealing with state licensing and COVID protocols. These women had to navigate a budget they did not put together, at times spending their own money to make sure the students always had what they needed. After work hours, they attended weekly meetings to restart our preschool program and help write down processes to clarify how to navigate WML and buying items from the budget for the school. They had to figure out and reset accounts, taking stock of improvements both inside and out, and learn how to staff a substitute list. I can continue for another two pages on how much they had to overcome this first year!! They did it with a smile. They never once compromised the valuable education and their important task of shaping new minds while still having fun.

We also want to thank the WML board for their continued investment in the school, the parents for their feedback and supporting every fundraiser for new toys/experiences for the kids and the women’s club for their support. It took a village to reopen, and we did it successfully, and more importantly, our 2022 graduates will go on to do great things in Kindergarten. We can’t wait to see what next year brings!! THANK YOU!

2022 Sailing Lessons

**Offered by the Society for the Education of American Sailors (SEAS) –
Morris Chapter Sponsored by the White Meadow Lake Sailing Club**

The SEAS Morris sailing club is back and offering basic and intermediate sailing lessons to White Meadow Lake residents (for adults and youth age 9 and up)! Classes include four to five hours of instruction and two full days of on-the-water training. Your registration fee includes a membership to SEAS Morris, opening additional practice and sailing opportunities to you after completing your class! Registration is now open, and if you register before May 15 and use the special discount code WMLLESSONWITHSEAS, you will receive a special, only-for-residents \$25.00 discount on any classes you register for! If you already know how to sail, SEAS Morris offers special members-only sailing opportunities, including introductions to competitive sailing and international cruising trips. If you register as a member before May 15 and use the discount code WMLJOINSEAS, you'll get \$5.00 off on either single or family membership. A supervising (non-paying or paying) parent/guardian will need to be present for all classroom and water sessions if the student is a minor. SEAS instructors recommend a person is at least 85 lbs to manage the AquaFinn sailboats independently. **SWIM SKILLS** : All participants must be able to swim and tread water over their head without a floatation device. Each person needs to bring their own PFD (personal flotation device), commonly called a life jacket (type will be discussed in class). Important - A supervising (non-paying or paying) parent/guardian will need to be present for all classroom and water sessions if the student is a minor. To register, visit us at www.morris.sailseas.com or snap the QR code: (insert QR Code here) For questions, please call SEAS Morris at 864-962-SEAS(7327) or email seasmorris@gmail.com.
