President's Message

I want to acknowledge that in October there was a very serious fire at one of our resident's homes. Owen Matlaga, Oliver Valdez, Vincent Norcross, and Sebastian Norcross are heroes in the truest sense of the word. Not only did these boys call 911, but they got a family member and their dog safely out of the house. The fire completely destroyed the home, but within hours of the tragedy the family received donations from many residents. It is beautiful to see our neighbors coming together- this is what community is all about.

In December news: the weather is colder, the days are shorter and the lake is empty, but the holidays are right around the corner and there are many community activities planned. Remember to look at the Calendar to stay updated on events!

The Committees are starting to plan for next year already and we would love to see some new faces. If you have time, poke around on the website (www.whitemeadowlake.org) and click on POA Committees and read about the many different committees and review the minutes from previous meetings. Hopefully you will be interested in joining one or two of them.

Remember that all of the amenities we have are for us and because of us. Let's maintain them as a community. Pick up any trash that you may see before it gets blown into the lake. If you smoke, use the ashtrays. Last, but not least, please clean up after your dogs- it is much easier to control than wildlife waste. If you have any questions, comments or concerns please feel free to call or email me.

Fishing Club

WHITE MEADOW LAKE FISHING CLUB

Fishing Club is quiet this time of year. We are beginning to plan activities for 2025 like building and testing a homemade breeding habitat for baitfish, creating the Jr Fishing Club meeting content, and discussing the Contest calendar.

The Breeding Habitat for Baitfish will consist of using ½ size wooden pallets covered in chicken wire. A few Lakefront residents have agreed to housing the habitat under their dock. The goal is to have a safe location for baitfish to live and reproduce, free from larger fish snacking on them.

Jr. Fishing Club will have 2 separate meetings-one for beginners and one for those more advanced. The beginner club will act as more of a clinic, where inexperienced anglers can learn the basics-fish identification, tying a hook, casting, and safely releasing the fish back to the water. The advanced class will participate in contests with the adults and learn the ins and outs of committee process. Both beginners and advanced will be reminded about being stewards of the lake-cleaning up after themselves and fishing in only the designated areas.

We are planning to have at least one contest per month from April to October in 2025. During the December and January meetings we will finalize the calendar and also begin talking about stocking. We hope to see you there!

If you are interested in joining the White Meadow Lake Fishing Club or have any questions, comments or concerns: please send me an email or stop by a Fishing Club Meeting at the Clubhouse on the last Thursday of the month at 8pm.

See you on the lake!

SLOW DOWN!

On behalf of all the kids, families and pups in our community... **PLEASE SLOW DOWN!** We're lucky enough to live in a community where we're able to walk to many places, so please remember to drive safely and slowly. Let's protect each other!

LET'S KEEP OUR LAKE CLEAN!

Please remember to keep our streets clean and pick up after your dogs. Everything in our streets goes into the storm drains, enters our stream, and then goes into our lake.

Let's keep it clean!
