President's Message

This is the month the kids are looking forward to; the end of the school year and the start of summer fun around the lake. Keep in mind there are many people walking and biking on our streets.

There is still some availability for Summer Fun and it's time to register for Preschool.

HAC has our Beach Party on the 22nd. The Women's Club has Sundaes by the Lake on the 23rd. The Gold Bar is now open on Wednesdays. Camp starts this month, but you still have time to sign up with more flexibility than in the past.

Our parking lot work is completed. Please do not park in the employee parking spots. They are used 7 days a week. Please do not park on the lawn. Our maintenance team works hard to keep our property looking great.

Any concerns, please call me at 973-586-1556.

Michael Ilardi

Friendship Club 55+

WOW!!! Definitely a WINNER. We would be telling a lie if we told you that if you missed our trip on April 17th--you missed a chance to take a helicopter ride. However, we are not telling a lie when we say if you missed our excursion to Shore Club in Spring Lake, NJ, you missed one of our best trips ever -- just ask anyone who attended. It was a glorious morning for a bus ride to enjoy all the beauty Spring offers us -- flowering trees, blooming bulbs, etc. From the moment we stepped inside until we left to go home, we were entertained. The band played tunes we could sing or dance to. A delicious salad was waiting for us, then came chicken soup. We had a choice of roast beef, chicken marsala or salmon as an entree. This was climaxed with a slice of rich cheesecake. The comedian, Taylor Mason, with his puppets, was very funny. Then Bobby Byrne sang songs from Broadway Shows. The finale was a terrific rendition of Phantom of the Opera, complete with costume and mask. He received a standing ovation. We will mark this one for a return trip next year. It rained on our parade when we were on our way home but no one cared after experiencing such a wonderful day.

Sign up for our next trips before they are sold out: LiGreci - July 11th, Wildwood - September 15th to 19th, Woodloch Pines - November 11th to 14th.

Come and join our club. It is held in the Clubhouse at 1:30 pm every 2nd and 4th Thursday of every month. Soft drinks and pastries are served at every meeting for free. Bingo is played most meetings. Annual and monthly admission are free. Experience all the fun we have on our trips. There are only 2 requirements to join: (1) Must be 55 or older and (2) Must be a resident of White Meadow Lake in good standing. See you at our next meeting.

BEACH CLOSURES

Beach 1 – June 22nd 5PM, July 21st 12PM

In late May and early June, the weather is just about perfect, the school year will be ending soon, and you will begin to see and hear a lot of splashing near the shoreline made by some large fish called carp. Although common carp and mirror carp look different, they are in fact the same species. Mirror carp are just a genetic mutation.

A very brief history

In the late 1800s, carp were imported into the United States by the U.S. Government after the European immigrants came to this country and were shocked that the waters did not contain them. The head of the United States Commission of Fish and Fisheries received thousands of letters requesting carp while he was also looking for a fish to replace the depleted waters in our country. Carp seemed to be the perfect solution since they lay many eggs, grow fast, and are seemingly unaffected by poor water conditions. At the time it sounded like a great idea. Now, not so much.

Fun to catch, but bad for our lake

According to the 2024 NJ Freshwater Fishing Digest (page 35) "Although an invasive species, Common Carp are NOT regulated as Potentially Dangerous Fish as they are already found in most waters throughout the state." I am sure you have seen the flyers posted around the lake to remove the carp from our waters. It is in our best interest to control the carp population. First, they stir up sediment which can change water chemistry and promote algal blooms when foraging in the muck for bugs and seeds. Second, they displace other fish and destroy their breeding grounds. Did you know a single carp can produce up to 2,000 offspring in a season?! They also live a long time-up to 20 years!

What can we do?

The Fishing Club has presented ideas to the Lake Committee to help control the carp population. We will be stocking bluegill sunfish in and around the carp spawning areas. One study has shown that bluegill sunfish eat carp eggs and fry (juvenile fish). We encourage our residents to fish for carp, and if you feel comfortable, humanely euthanize the fish and use the designated garbage cans for disposal. We have several other ideas to help get the carp under control and will eventually implement them.

How to fish for carp

All you need is your fishing rod and reel with 10-12 lb test line, a split shot, hook, and bait. Carp are opportunistic eaters, but many carp are caught with a single corn kernel on the hook. Cast and wait with your drag loose-when you hear your line start to sing, tighten the drag and set the hook. They are very fun to catch and they can be BIG.

One of the best parts of fishing is taking a picture of your catch and sharing it with others. With that said, please remember to be kind when someone posts on social media. Not everyone feels comfortable with the idea of disposing of a fish and they should not be chastised for returning a fish to the water (although we would prefer if the carp were not returned to our lake).

Get your Sticker!

Another important aspect of managing our fishery is to understand what fish species and size are being caught in our lake. Stop by the office to get a QR code sticker that can be placed on your tackle box or look for the QR code posted near the fishing areas. When you catch a fish, take a picture, identify the species, and estimate the length. Scan the QR code with the camera feature on your phone and answer a few questions. Remember to upload your photo-it may be put in the newsletter! Prizes will be awarded for the most participation toward the end of the year.

If you are interested in joining the White Meadow Lake Fishing Club, would like to send photos of your catch, or have any questions, comments or concerns: please send me an email or stop by a Fishing Club Meeting on the last Thursday of the month at 8pm.

See you on the lake!

WML BAR AND RENTAL

Did you know members in good standing can reserve the Gold Bar & Lounge for small, casual events up to 50 guests?

Gold Lounge rentals are available on weekends days when the bar is not open to the public. Rentals are \$200 for a 4-hour period and can be booked 60 days in advance. Gold Lounge rentals are first come first served and must be reserved in person.

Contact Patrizia Trento at 973-494-5600 or
banquet@whitemeadowlake.org for more information.

Interested in having a party in our Gold Bar & Lounge?

We welcome our friends & neighbors to meet in our bar for small casual get togethers. However, events and parties that utilize our entire lounge including all tables must be reserved with our banquet manager.

We do not allow parties or events during our regular operating hours so that all our members can enjoy the lounge.

Parties are permitted during non-operating hours & must be scheduled in advance & on our calendar. Scheduling your party will ensure that there are no conflicts with other parties or events & adequate staffing of the gold bar.

Members interested in hosting a party in our gold bar & lounge should contact the banquet manager at banquet@whitemeadowlake.org for information.

Any party that is not scheduled will be asked to leave.

IN LOVING MEMORY OF
LAUREL ANN DOTY

Laurel Ann (Whitaker) Doty a resident of Millsboro, DE, formerly of Rockaway NJ, and East Patchogue NY, was quietly embraced by eternal peace at her home on May 3rd, 2024.

Laurie was a beacon of light to all who knew her, a devoted wife, mother, sister, sister-in-law, mother-in-law, and friend. Her gentle spirit and compassionate heart touched the lives of many, leaving an indelible mark on the world around her.

She was born in Port Jefferson, New York, on March 8th, 1954, to Joseph F. and Pauline (Kaznowski) Whitaker. Laurie is survived by her son, Nicholas C. Doty and his wife, Aline of Millsboro; her brother, Joseph G. Whitaker and his wife, Sheri of FL; sibling-in-laws, Bernadette Dvorak, Charles Doty, and Christopher Doty of NY and NH; several nieces, nephews, grandnieces, grandnephews; and many dear, life-long friends including Ava Collazo with whom she shared a special sisterly bond.

Laurie was preceded in death by her beloved husband, Thomas Elliott (Ted) Doty in 2011. Their families and friends are comforted that they are together again. Laurie and Ted met at Seton Hall High School in Patchogue NY. Laurie earned a Bachelor of Art's degree at The State University of NY-Potsdam with concentration in the Department of Theatre and Dance, where her love for theater, musicals and dance blossomed. Laurie's passion for the arts infused her life with creativity and joy, enriching the lives of many others.

Her home was a sanctuary of warmth and hospitality, where laughter filled the air, and memories were made around the dinner table. She delighted in entertaining guests, always welcoming them with open arms and delicious homemade meals. Laurel's warm hospitality and generosity knew no bounds and her spirit touched the hearts of all who crossed her threshold. Memories of Laurie will continue to inspire and guide her family and friends in the days ahead.

A celebration of Laurie's life will be planned for a future date to be determined when family and friends will be invited to celebrate her memory at a pre-interment gathering.
